President's Message

Fr. Andrew Leung, CSB

Dear St. Michael's College School students,

Welcome to your 2022-23 yearbook!

Congratulations to all of our graduates — the newest members of our alumni community!

On behalf of the St. Michael's College School family, we wish you, the Class of 2023, health, happiness, and much luck as you open the next chapter of your academic journey. Please remember that St. Michael's is and always will be your home, so do come back to visit!

This 2022-23 academic year has been quite the year since restrictions were lifted following the COVID-19 global pandemic. In its 170th year, the school returned to pre-COVID in-person classroom teaching, 20 different inter-school sports and more than 60 clubs and activities resumed, students embarked on the annual fall and winter camps once again, the Drama Department put on their first radio play in the fall and original musical in the spring, Chicago trip band, mid-March break history, modern languages, and business European trips were successes, and various student leadership opportunities were restored.

Your SMCS yearbook is an official archive filled with treasured memories of the past school year. We hope it will always serve to rekindle fond recollections of the friendships formed during your high school days. This yearbook also serves as a testament to the beacon of activity that is St. Michael's College School. Be proud of your contributions to the many academic and co-curricular activities that comprise the core of this book. Each of you plays an integral role in continuing the storied tradition of excellence at our school and following the motto: Teach me Goodness, Discipline, and Knowledge.

Thank you to all those who made this yearbook possible! My gratitude and appreciation to our outstanding faculty, staff, and students for your vital role in making St. Michael's College School the exemplary institution it is today.

May God continue to guide and bless each one of you in your future endeavors.

Blessings,

Fr. Andrew Leung, CSB

Principal's Message

Mr. Patrick Daly

Dear St. Michael's College School students,

Welcome to the 2022-23 edition of The Tower.

Congratulations and thank you to all who had a hand in capturing, in such detail, our journey as a school community. It is a fantastic account of a strong and vibrant school community and reflects both the traditions that have been built at St. Mike's since 1852 and how you have added to that tradition over the past year.

This year's theme – Connections, speaks directly to what we aspire to be at St. Mike's and can be represented in several ways. Based on my experiences in my first year here at St. Mike's, I think of the connections that are formed every day in so many ways in the classroom, at camp, on stage, on the field, and in the rink and gym, that we were able to fully enjoy once again this year.

I am also reminded of the connections that our students make outside of our walls as a result of experiential learning opportunities and in service to the wider community. For our graduates, I hope that you continue to feel connected to St. Mike's not only in the memories that you will take with you, but also by staying connected as an active alumnus of our school.

Finally, I pray that all our students maintain an ongoing connection with your faith as you continue to strive to change the world through lives of faith, character, and service.

Sincerely,

Pat Daly

"I do not imagine that it is precisely we, with our present customs and social conventions, who will be out there. If we continue to accumulate only power and not wisdom, we will surely destroy ourselves. Our very existence in that distant time requires that we will have changed our institutions and ourselves. How can I dare to guess about humans in the far future? It is, I think, only a matter of natural selection. If we become even slightly more violent, shortsighted, ignorant, and selfish than we are now, almost certainly we will have no future."

Attending St. Mike's was the best decision I've ever made, which is an understatement. What does that mean? Every memory made with my peers between the yellow brick walls will never be forgotten. It was not an easy ride, but hard work and discipline provided me with the skills to transform myself through faith, character, and service. I would like to thank my parents for providing me with the opportunity to be at St. Michael's College School.
That's it for today, keep working hard, have fun, and never give up, have a great day St. Mike's.

This year, the students were tasked with finding an innovative solution to the challenges of global education to ensure inclusive, equitable and quality education for all students. From October to April, students developed innovative approaches and entrepreneurial ideas to address one specific aspect of this difficult challenge with the help of industry experts, university professors and U of T graduate student mentors. Team One proposed an expansion of an alumni mentorship programme that addresses challenges students face outside of the classroom, and Team Two developed a student sleep initiative to improve school performance and overall mental health. Congratulations to both teams for their innovative solutions and excellent presentations.

They also continued to maintain the pen and marker recycling programme set up last year. At the end of each year, all the pen and marker waste is sent to TerraCycle via the Staples recycling programme instead of a landfill. Green Initiative also partnered with the Common Earth Club on Earth Day to conduct a community clean-up.

The Model United Nations (UN) Club gives students from Grades 7-12 the opportunity to role-play as delegates to the United Nations by simulating UN committees. Through these activities, students can refine their skills in researching, public speaking, debating, and writing, as well as critical thinking, teamwork, and leadership abilities. The highlight of the club's activities consists of attending and competing at Model UN conferences hosted by various schools/universities across the GTA. These conferences provide students with a unique and exciting educational opportunity as they prepare resolutions to dynamic and real-world situations, participate in debates, and refine their skills in the art of diplomacy and negotiation. During the 2022-2023 school year, members of the Model UN Club attended three conferences: UTMUN hosted by the University of Toronto, HCMUN hosted by Havergal College, and OMUN hosted by Upper Canada College. Each of these conferences was hosted in-person for the first time since before the start of the COVID-19 pandemic. Members competed exceptionally at these conferences and were rewarded with numerous individual awards handed out across the three events. A huge thank you from Ms. Iaboni and Mr. Bellissimo to all the club members for their hard work and dedication throughout this difficult year. You made all of us proud, and we're looking forward to another great Model UN experience next year!

Politics Club

The Politics Club offers students an opportunity to deliberate political topics, extend their civic learning beyond the classroom, and model respectful political discourse for the entire school community. The club tackled topics such as tax redistribution, gun control, censorship in social media, and the privatization of healthcare in its formal SMCS Student Political Debate series, while interacting with a diverse set of politicians in multiple Q&A sessions. A delegation from the club was also able to attend the prestigious Munk Debates at Roy Thomson Hall. As a spirited and active community, members were able to foster the collective growth of trailblazing citizens and develop their political acumen, all while having fun!

SPORTS

SMCS

Cross Country - U13 & U14

This fall, after two quiet years due to the pandemic, SMCS U13 and U14 Cross Country hit the ground running with an early-season kick-off at Grade 7 camp and uncovered a wealth of fresh talent among the rookie team members. In addition to speed workouts on the track and endurance runs, the season included a variety of 'Fun runs' like digital scavenger hunts, pringle runs, and banana relays. There were also several opportunities to work with the varsity team, like at the Leprechaun Run that kicked off the season, and the Donut Mile to end the season in November. Though much fun was had, members of the team also proved to be fierce competitors. Students demonstrated their determination and perseverance by competing at three meets during the regular season. To culminate the season, they returned to Centennial Park in Etobicoke, the location of their first meet of the year, to run a somewhat familiar course, however this time with a run up a ski hill. A season of very hard work resulted in great success for our U13 runners who took home the U13 Boys CISAA Championship title. It is clear that the future of SMCS running is promising and we all look forward to seeing this strong U14 team carry on the impressive Cross Country legacy of the school.

Lance **Team Members:** Dylan Ahn, Quentin Ahola, Jude Alexandrowicz, Finn Colle, Lucas Kulidjian, Benjamin Maiese, Jack Maiese, Ryder Muir, Johannes (JT) Nousiainen, Brady Porter, Shaan Singh, Colton Weis, Joseph White, Eamon Zietsma. **MVP:** Benjamin Maiese

Cross Country - Varsity

The CISAA Varsity Cross Country Championships were held at Lakefield College. The day got off to a great start, led by the Grade 9 Novice Boys team. Christian Babony took home the silver medal, followed closely by Quinn French, who captured the bronze medal, just ahead of teammate Rohan Jalapayan who was fourth! Calum Murphy and Luke Adorante also posted top 20 finishes to round out the team performance. Together, they captured the Novice Boys CISAA championship! The Grade 10 Junior Boys team made a statement as well, capturing their own CISAA title. Matthew Kmecz led the way, controlling the 5 km race at the halfway point and didn't look back. Kmecz finished ahead of the pack and won the Junior Boys CISAA Cross Country Championship gold medal. Teammates, Carter Albiani was sixth, Ben Ottey was eighth, Thomas Arciero was 11th, and Dallas St. John finished 15th! In the senior boys' division, SMCS took on a very competitive field and battled to a fifth-place finish. The team was led by a strong sixth-place finish by Anish Krishanthan. Emilio Kandankery, outstanding Grade 9 rookie Timothy Fortier, Jack Major, and Henry Hicks rounded out a strong team finish. When the overall scores were tallied, SMCS was once again crowned Overall Boys CISAA Champions for an unprecedented 43rd year in a row! At OFSAA, the Novice Boys team narrowly missed the podium, but still managed to finish as the fifth-fastest team in Ontario. The Junior Boys team, had an outstanding race on the way to an OFSAA bronze medal finish. The overall team score earned the SMCS Cross Country team a second-place overall OFSAA finish.

Football - Junior

Junior Football training camp began on Aug. 29, 2022, with many eager faces ready to check in and get their equipment. Training camp was physically and mentally demanding, but players and coaches were happy to be back on the field and in meeting rooms. The St. Mike's Junior Football team had graduated almost the entire junior team from last year's championship to the senior level except for three returning players. They had a large group of Grade 9s and a good core of Grade 10s. The majority of the team started out with little to no football experience. However, they did retain starting QB from last year, Raine Kreklewetz, who did have experience and was a force to be reckoned with. A big thank you to all the players and their families for supporting St. Mike's football. Thank you to Coach Panos, Coach Sebastiano, Coach Kennedy, Coach Lumsden, and Coach Tropea for helping make this team into better football players and giving them a positive learning experience.

The Kerry Blues advanced to the CISAA semi-finals where they lost to UCC but did manage to secure a berth in the OFSAA Bowl against Thomas A. Stewart Secondary School from Peterborough. With only 12 graduating players, the bulk of the team returns next year to be joined by a strong Grade 10 class moving up from Junior.

After an impressive 5-1 regular season, along with strong showings at two showcase tournaments, the Senior Soccer team entered CISAA playoffs as one of the top seeds. The squad hosted De La Salle College at home in the quarter-finals and advanced with a commanding 6-2 win. In the semi-final match against SAC, the boys found themselves down 1-0 going into the second half. Josh Annibale came to the rescue and found the back of the net to even the score, paving the way for Josiah Bethune to score the winner in the dying minutes. In the CISAA Championship at UCC, the boys jumped out to a 1-0 lead, but UCC used their home-field advantage to pull away for the 3-1 win, leaving SMCS as silver medalists in a very competitive CISAA league. The boys did earn a birth to the OFSAA Provincial Championships as the CISAA representative in Windsor. Although they did not advance from their pool they played very well in a tough division that produced the eventual champion.

Coaches: Mr. N. DiTosto, Mr. G. Escobedo, Mr. M. This year our U14 Blue Strikers set, volleyed, spiked, and blocked their way into the CISAA Finals! The boys had an incredible season of vast improvements and great dedication. Showing up every day at 7a.m. and putting forth 100% all season, allowed them to secure the silver medal in the championship game. Motivation was key to our success and our boys received a full dose of just that daily, mainly during game day. Benny and Liam took the lead in lifting our spirits. Carson and Harry sniped their way on the court accumulating a multitude of aces. Charles, Quentin, and William stood as our impenetrable wall on the net during defense and on offense they were bringing the rain down on our opponents. Ayden and John, with their outstanding centre of gravity and great footwork, were able to track down and control all serves coming their way. Ryan and Anthony did what they do best, rise to the occasion and deliver excellent volleyball. Coaches Mourra and Mandawe are extremely proud of these young men.

We played in the CISAA consolations with enthusiastic momentum and finesse to lose by a mere two points. A big thanks to the entire team for playing hard with spirit! To our grads; Delko Blazanin, Will Garvey and Joshua Branson, good luck!

PRAYER TO ST. MICHAEL THE ARCHANGEL

Saint Michael the Archangel,
defend us in battle.
Be our Protector against the wickedness
and snares of the Devil,
May God rebuke him, we humbly pray,
and do thou,
O Prince of the heavenly hosts
by the power of God,
cast into Hell Satan,
and all the evil spirits,
who prowl the world,
seeking the ruin of souls.
Amen
